

How to add your ACH payment method

ACH is short for "Automated Clearing House" which is nearly identical to paying with a check, you're just doing it electronically. By using ACH to make payments, you reduce the risk of credit card interest charges and significantly speeds up the payment process.

Step-by-step guide to paying with ACH

1. **Log into** your [Vivio Portal](#) account. If you need assistance with this step, please see [How to access your Vivio Portal client account](#).
2. To add a bank account as a payment method, **select** "Payment Methods."

3. **Select** "add bank account."
